## Announcement

### COVID UPDATE

Our Reopening Task Force, in line with the California and Orange County public health departments, has made the following updates to our current policies:

- Masks are required for all vaccinated and unvaccinated individuals, who are older than 2 years old, in all indoor public locations, including our sanctuary, chapel, fellowship and education areas on campus, and should remain on at all times (except during communion or when actively eating or drinking).
- Pastors will wear masks during the in-person service, but not for the livestream.
- We are no longer requiring social distancing in the sanctuary, chapel, fellowship and education areas on campus.

This is good news, friends. We are not shutting down our church. We will still have safe and beautiful worship, education and fellowship together. We will also continue to welcome activities back to campus safely, many in a hybrid format.

We encourage you to continue to be mindful of others' comfort

levels to ensure everyone feels safe and welcome in our buildings! Please continue to do your part to promote safety until the situation improves.

Thank you all for your patience and support.
