

July 15, 2020

Dear Member,

With Covid-19 cases increasing in our state, additional restrictions were announced Monday by Governor Newsom and the California Department of Public Health, and the Orange County Health Officer released Amended Orders and Strong Recommendations on Tuesday, to slow transmission of the virus. In response to these new mandates, the Geneva church office will once again close until further notice as we are in the “non-critical” business sector category.

Although the office doors will remain locked during the day, in order to continue to serve our members, a limited number of office staff will be present during regular office hours to check phone messages, get the mail, receive deliveries, pick up items left through the drop slot in the library door and be available to help the Geneva Children’s Center staff as the preschool will remain open. All staff will also be working from home when not at the office so please continue to contact them via phone and email as needed.

Although the news has not been good lately locally or nationally, we continue to be blessed with our live stream worship service Sundays at 10:30am and encourage your continued participation. Visit genevapres.org to connect on Sundays or to watch replays of past services. Thank you for your overwhelmingly positive feedback and encouragement as we continue to reach people for Christ in this new way.

As we watch our state, our country and our world continue to struggle with this pandemic, it is easy to get discouraged. We must gather our strength which comes from our belief in God and continue to take care of ourselves, our families and each other.

On this COVID-19 Pandemic journey with you and the One who knows us the best and loves us the most, I remain faithfully yours,

A handwritten signature in black ink that reads "Steven M. Marsh". The signature is written in a cursive style with a large, sweeping initial 'S'.

The Rev. Dr. Steven M. Marsh
Pastor/Head of Staff
